The «Jixiang Fang Zhou» docked at the Port of Bata.

IMPORTANT NOTICE

Free, and card only

Nobody can charge you

Not for registration, not for the card, not for care. If anyone asks you for money, do not pay and tell the authorities of your district.

No card, no entry

Only registered patients are seen, on their date and at their time. Do not go to the port without your card.

Are you pregnant?

Keep up your check-ups at your health centre. Do not travel to Bata on your own.

Give blood

At the Bata Blood Bank.

KNOWLEDGE TRANSFER

Learning together

Equatoguinean professionals work alongside the ship's medical team. What they learn stays in our health system.

10 **National doctors** join the operations on board every day.

Medical students from UNGE and AAUCA take part in the exchange.

24 **Visit to the Faculty of Medicine** of UNGE · 24 November, 10:00.

On the day of your appointment, bring

- **Patient card**
- **Identity document (DIP)**
- **Medical reports**
- **Your medication**

Travel on the organised transport and come at your time: **morning 08:30 to 10:30 · afternoon 14:30 to 17:30**.
